famine prevailing in Bijapur area. It seems agriculturists from about 15 villages numbering about 10,000 are starving there for want of food and the Hon. Ministers have assured that steps would be taken to relieve them from this famine. Now since the Hon. Minister concerned is here I would like to know from him what is the position?

#### *Administration of the K. G. F. First Grade College*

SRI C. M. ARMUGAM (K. G. F.).—Madam Speaker, I have a submission to make. Last time, I raised this matter during budget discussions. There is a First Grade College in K. G. F. Recently the Principal of the said College has resigned on account of demonstrations by students of the said College numbering about 1800. There was strike for a couple of days and the students took out a procession too. This College was started by the KGF Sanitary Board with the help of Kolar Gold Mining industry and its workers. This college cannot be considered as a private college, since the Sanitary Board which is a quasi-Government body has started it. There was no proper accommodation available to run this college; they started in a bungalow occupied by some Europeans. There is no proper accommodation for this College and the classes are being conducted in Bath rooms and in very small rooms. This college has neither a proper building nor a permanent Principal for the past ten years. Somehow or the other it was being managed for the last ten years without a permanent Principal. Further the Principal of this College was also the Director of Schools of Mines and was also associated with several bodies and institutions and thereby he had no time to devote towards this college and he never stayed in KGF. For nearly 25 days in a month he used to be out of KGF and thereby the entire management of the College was left in the hands of a Clerk who is called the Superintendent there. There is also a Governing Council for this College. They have not started any educational institution. The staff of the said college are put to lot of hardship. The Chairman or the President of the Governing Council comes to KGF just to preside over the

meetings of the Governing Council once in three months and sometimes not even that. The students numbering about 1,800 are quite unhappy because there is no proper accommodation, there is not even a water tap for these students. Because the Principal was temporary and on part-time there he did not took interest to secure a proper building for the school. The Governing Council has purchased books and

furniture worth about 14 lakhs and there is no proper accounts for this. Some money was also collected for National Defence Fund but was not handed over to the Defence Fund.

The KGF Mines were under the control of Government of India and they were paying 1/4 of the expenditure of the said College; the KGF Sanitary Board was paying 1/4 of the expenditure and the rest of the expenditure was being met by the workers. Now the Municipality is paying half of the octroi. Now since the Government has formed a Corporation called the Bharath Gold Mines Corporation they are reluctant towards the maintenance of the said college. This College is financially scrippled; staff is not well-maintained; there is no proper building; there is no permanent principal for the past ten years. Therefore I submit that the Government should come forward to consider all these things and also to send an official from the Secretariat level to probe into the working of this First Grade College, KGF and to take over the College since it is run by a quasi-Government body, viz. the KGF Sanitary Board. Now they are depending upon the Robertsonpet Municipality for funds and half of the amount has been paid. There are about 11 High Schools, 24 Middle Schools and 64 Primary Schools in KGF and there is hardly any Government institution or a Government College. Therefore I appeal to the Government and the Hon. Minister for Education, who is very much interested to provide educational facilities to the poor people, to probe into the matter and before that to take over the administration of the KGF First Grade College.

ಶ್ರೀ ಎಂ. ಎಸ್. ಕೃಷ್ಣನ್.—ಮಾನ್ಯ ಸದಸ್ಯರು ಪ್ರಶ್ನೆ ಕೇಳಿದರೋ ಅಥವಾ ಸ್ಟೀಜ್ ಮಾಡಿದರೋ ಎಂಬುದು ನನಗೆ ಗೊತ್ತಾಗಲಿಲ್ಲ?

ARI C. M. ARUMUGAM.—It is not for you. It is for the Government. You need not tell me that.

SRI B. V. KAKKILAYA.—Hon. Member Mr. Armughum cannot hold the entire house.!

SRI C. M. ARUMUGHAM.—You need not say that. As if you are not doing it.

SRI B. V. KAKKILAYA.—I am not doing it

ಅಧ್ಯಕ್ಷರು.—ಜಗಳ ಆಡುವುದು ಇದ್ದರೆ ಹೊರಗೆ ಹೋಗಿ ಆಡಬಹುದು. ಇದಲ್ಲಾ ಒಳಗೆ ಏತಕ್ಕೆ?

SRI A. R. BADARINARAYANA (Minister for Education).—Madam Speaker, Hon. Member Sri C. M. Arumugam has raised a very important matter. If I have got to do justice to what he has said, I should say that it is only a one-way traffic. He knows much; I do not know much about it. I have got to ascertain the facts. Since he says that the matter is very important, I wish to place before him a few things which are in my possession just now. In fact, day-before-yesterday, a group of persons and students came to me with a petition that the College was so much badly managed that it needs the intervention of the Government, that they are prepared to hand over the College to Government, that the Principal has resigned, etc. I propose to send the Director of Collegiate Education to visit the spot, make enquiries and make a report. After the report is received, Government will consider what action it should take.

ಶ್ರೀ ವಿ. ಎಸ್. ಪಾಟೀಲ್.—ನಾನು ಒಂದು ವಿಷಯವನ್ನು ತಮ್ಮಲ್ಲಿ ವಿನಂತಿ ಮಾಡಿಕೊಳ್ಳುತ್ತೇನೆ. ಬೀದರ ಜಿಲ್ಲೆಯಲ್ಲಿ ಬಹಳ ಕೆಟ್ಟ ಪರಿಸ್ಥಿತಿ ಇದೆ. ಈ ಬಗ್ಗೆ ನಾನು ಎರಡು ಕಾಲ ಅಟೆನ್ಷನ್ ನೋಟೀಸ್ ಗಳನ್ನು ಕಳುಹಿಸಿಕೊಟ್ಟಿದ್ದೇನೆ. ಇವು ಮತ್ತು 22ನೇ ತಾರೀಖು ಇನ್ನೂ ಆ ಕಾಲ ಅಟೆನ್ಷನ್ ನೋಟೀಸ್ ಗಳಿಗೆ ಉತ್ತರ ಬಂದಿಲ್ಲ. ಆದ್ದರಿಂದ ಅದನ್ನು ದಯವಿಟ್ಟು ಎಕ್ಸ್ ಪಿಡೀಟ್ ಮಾಡುವುದಕ್ಕೆ ಪ್ರಯತ್ನ ಮಾಡುತ್ತೀರಾ ?
